TO : C/GSD

DATE: 9 April 1965

FROM : DAD/S&D

SUBJECT:

For instance, if they want to know any additional details, let them call George and then George can sick them on them so that we can maintain an AD to AD transfer operation here.

The first paragraph should either read, we have recently reexamined our proposed R&D budgets (which I prefer) or this office has recently reexamined its proposed R&D budgets. I think also in order to make the letter more chummy some consideration might be given to I have recently examined our R&D budgets and I have determined -----
George Miller.
